

Regular Toilet

Practical Performance

Construction firms need a no-nonsense sanitation solution to complement their busy construction sites. National's Regular Toilet is up for the challenge. With **built-in wall vents**, and a helpful "in-use" indicator lock to create a safe environment, our Regular Toilet is the perfect choice.

All of our Regular Toilets are manufactured with ultra-smooth, durable, two-ply walls for years of outstanding performance. Heavy-duty, **vandal-proof door springs** keep each door tightly in place and provide reliability for thousands of uses making this porta potty a work site favorite.
