

4-Unit Solar Restroom

Hands-Free Flushable Toilet

Ceramic Sink & Soap Dispenser

Slip-Resistant Steps

Luxury & Style

Say goodbye to the days of holding it in or braving public restrooms. Solar restrooms from National Construction Rentals are the cleanest and newest in the industry. Our 4-unit solar restrooms come equipped with all the bells and whistles to make your next portable bathroom experience comfortable and pleasurable, including automatic LED lighting, ceramic flushing toilets, fresh-water sinks, vanity mirrors and power roof vents.

From special events like concerts or festivals to construction sites and office renovations, guests and employees will enjoy all the added features of a 4-unit solar restroom without having to wait in long lines. Contact one of our friendly Customer Service Representatives for more information on our complete line of portable toilet products. Ready to rent?
