

ADA Toilet

Dependability

National's ADA Toilets feature a number of value-added benefits including a ground-level entrance, making wheelchair access a breeze, a modest toilet seat height for better usability, and **helpful horizontal grab bars** carefully distributed throughout the cabin for ease of use. This restroom is both highly functional and convenient.

With a **spacious interior**, an "in-use" indicator lock, and cascading wall vents for full ventilation, National's ADA Toilets are equipped with all the conveniences needed to assist any user who may need extra assistance.
