Luxury & Style

Loaded with extras, National's Solar Restrooms are a step above the rest for many reasons. Roomier than most traditional portable toilets on the market today, each of our Solar Restrooms are loaded with amenities: **fresh-water faucets**, **incandescent lighting**, convenience hooks for jackets and personal effects, a **vanity mirror**, and slip-resistant flooring.

With **hands-free flushing toilets**, these restrooms can be ordered either as an attractive stand-alone unit or can be combined into a convenient 2-Unit Solar Restroom configuration. One thing is certain. There is little doubt your users will recognize your discerning taste, and you'll be satisfied by the choice you made.
