Spa Series

Incorporating the same classic design as our 2- and 8-Station Restroom Trailers, this mid-sized upscale option features two stalls on the women's side, and one stall and one urinal on the men's side. With **floor-to-ceiling doors** for complete privacy, frosted-glass accent lighting, stainless-steel sinks with **hot and cold running water**, and **climate control** for year-round use ... it's so comfortable, you just might want to take it home!

With additional space to allow for increased foot traffic, this 4-Station Restroom Trailer will not only leave a lasting impression with your guests and co-workers, but you will be left to handle more than your fair share of compliments.
