

40' Mobile Storage Container

Big Project? Big Storage.

Constructed of **14-gauge, heavy-duty steel**, this massive 40-foot mobile storage container has over **2,300 cubic feet of storage space**, enough to safely store sound equipment, lighting, holiday displays, overstock, forklifts, golf carts and more.

With **entrances on both ends** of this unit, these mobile storage containers allow for fast access, providing you with a more efficient workplace. Call National Event Services today to talk to one of our friendly Customer Service Representatives to discover how our storage solutions will make your next event organized, secure and more profitable.
